

# DROP IT LOUDER PRESENTS // BOUNCE IT HARDER – FL STUDIO TEMPLATES

Drop It Louder presents Bounce It Harder - FL Studio Templates an irresistible collection of FL Studio project templates perfect for all Melbourne Bounce , EDM, & Future House producers!

Bounce It Harder - FL Studio Templates brings you 10 amazing songstarters and templates: each of them is a powerful production tool that you can edit, mix, mash and cut as you please!

//FL STUDIO TEMPLATES

We deliver each kit as an FL Studio Template - Just fire them up in FL Studio and access all separate parts and instruments for deep and flexible control!

//WAV & REX

You don't have FL Studio ? No problem , you can still tap into Bounce It Harder - FL Studio Templates creative power since all samples and loops also come in WAV & REX format that you can import in any DAW : including Drum Loop Elements, Melodic Loops, FX and Instrumental One-Shots!

//IN SUM

Bounce It Harder - FL Studio Templates is an essential collection for any FL Studio producer looking for full project control and a solid ensemble of ready-to-Bounce kits !
