**FUTURE LOOPS**

REAL SERIES 28

Start prepping up those studio blunts cos Future Loops has got some extremely phat and fresh sound buds coming your way ! Now presenting Kingston Rockers- Reggae Construction Kits an almighty, finger lickin Reggae & Dub sample pack with over 1400 samples & loops !

That's right! We're bringing Reggae and Dub producers all the sweet, raw and organic elements they need to build and mix high-quality Rasta infused tracks!

Massive Construction Kits !

The samples and loops in Kingston Rockers are organized into massive and flexible Construction Kits - all structured into Intro, Verse, Chorus, Bridge and so on.. Quick to browse , easy to access , intuitive to mix!

Multiple Instruments & Reggae Elements !

The list of instruments in the kits includes Lead Guitar , Rhythm Guitar , Bass , Drums ( Full Drums , Fills & Multitracks ), Percussion ( Bongo , Timbales , Cowbells , Shaka , Clave , Thunder , Funde , Timbale , Repeater .. ), Keys (Hammond , Rhodes , Clavinet ), Horns Section (Sax, Trombone & Trumpet)! All recorded live and featuring truly inspirational performances !

Take a peek inside Kingston Rockers- Reggae Construction Kits :

**\*Bass Loops**

Cool & relaxed live recorded bass loops for each section of the track (intro, verse, chorus, etc)

**\*Drums**

Stereo Mixed Drums for each section of the track (intro, bridge, verse, chorus, etc..)

Stereo Mixed Fills

Individual Multitrack Drums with multiple mics for total mixing control ( Overheads, Hats, Kicks, Snare, Rack & more)

**\*Guitar Loops**

Includes Lead & Rhythm Guitars . Want to tweak the guitars with new sonic shapes and contours ? No problem , you'll have access to both the Amped & DI versions for all guitar loops !

Lead Guitar

Rhythm Guitar

DI versions

Amped versions
